## Grace

## **Meshell Ndegeocello**

Can't say I have ever been faithful

Except to God

Never felt I could call anywhere home

Till I fell asleep here in your armsI never thought I'd fall in loveYour love is my only saving grace

You caress my heart
Kiss my face
Your love is my only saving grace

Sometimes God calls out to me to come home

'Cause I feel so alone Then I taste your kiss

Your touch your sweet loveI never thought I'd fall in loveYour love is my only saving grace

You caress my heart

Kiss my face

Your love is my only saving graceI never thought I'd fall in love
I never thought I'd fall in love with you
Your love is my only saving grace
You caress my heart

Kiss my face

Your love is my only saving grace your love
