## **Building a Mystery**

## Sarah McLachlan

You come out at night
That's when the energy comes
And the dark side's light
And the vampires roam
You strut your rasta wear
And your suicide poem
And a cross from a faith that died

Before Jesus came You're building a mysteryYou live in a church

Where you sleep with voodoo dolls

And you won't give up the search

For the ghosts in the halls

You wear sandals in the snow

And a smile that won't wash away

Can you look out the window

Without your shadow getting in the way?

You're so beautiful

With an edge and charm

And so careful

When I'm in your armsCause you're working

Building a mystery

Holding on and holding it in

Yeah you're working

Building a mystery

And choosing so carefully You woke up screaming aloud

A prayer from your secret god

But you feed off our fears

And hold back your tears, oh

You give us a tantrum

And a know it all grin

Just when we need one

When the evening's thin

You're so beautiful

A beautiful fucked-up man

You're setting up your

Razor-wire shrineCause you're working

Building a mystery

Holding on and holding it in

Yeah you're working

Building a mystery

And choosing so carefullyOoh you're working Building a mystery

Holding on and holding it in
Yeah you're working
Building a mystery
And choosing so carefullyYeah you're working
Building a mystery
Holding on and holding it in
Yeah you're working
Building a mystery
And choosing so carefullyYou're building a mystery
