

# Count On Me

Mat Kearney

One day to get it all right  
Too wrong and not enough right  
Three words you said in the night  
Before we held the fire  
High five me, brother, it's amazing  
Her six shooter came out blazing  
Seven up and coke on the pavement  
Ate my heart out daily, baby  
Hey, I love you, hey, I need you  
Hey, I want you, do you want me too?  
You can count on me, when you cannot see  
Let me spell it out plain and simple now  
When your number's called, backs against the wall  
Pick you up when you fall, be there when you call  
Singing A, B, C, you can count on me  
1, 2, 3, you can count on me  
Amen, we made it this far  
B boys in VW cars  
See me, seeing into my heart  
Delighted through the dark  
Emails and coffee in the evening  
Effort ya, brother, you'll believe it  
Gee, I don't know your secret  
H, I love you singing  
Hey, I love you, hey, I need you  
Hey, I want you, do you want me too?  
You can count on me, when you cannot see  
Let me spell it out plain and simple now  
When your number's called, backs against the wall  
Pick you up when you fall, be there when you call  
Singing A, B, C, add it up, add it up now, darling  
1, 2, 3, run, run when you're callin'  
A, B, C, add it up, add it up now, darling  
1, 2, 3  
You can count on me, when you cannot see  
Let me spell it out plain and simple now  
When your number's called, backs against the wall  
Pick you up when you fall, be there when you call  
Singing A, B, C, you can count on me  
1, 2, 3, you can count on me  
A, B, C, you can count on me  
1, 2, 3, you can count on me  
A, B, C  
1, 2, 3
