

# Unforgettable (feat. Shaggy)

Charlie Wilson

Sailing on the tropical seas  
Enjoying the trees and the breeze  
Uncle Charlie! Shaggy!  
Unforgettable, you got me like that  
Give it to ya, you give it right back  
Unforgettable, you got me like that  
You got me like that, I know you like that I could stare at you forever  
I don't want to miss a thing  
In your arms I will surrender  
You're my one and everything Love's in the air, this beautiful light  
Caviar kisses, champagne on ice  
Let down your hair, don't cover both eyes  
Oh, baby, it's clear to see that  
You are perfectly unforgettable  
Priceless masterpiece, indescribable  
You are perfectly unforgettable  
Unforgettable-oh-oh-oooh  
Unforgettable-oh-oh-oooh Heaven brought us close together  
Your love satisfies my soul  
Have no fear, I'm your protector  
Shades of gray you'll never know Love's in the air, this beautiful light  
Caviar kisses, champagne on ice  
Let down your hair, don't cover both eyes  
Oh, baby, it's clear to see that You are perfectly unforgettable  
Priceless masterpiece, indescribable  
You are perfectly unforgettable  
Unforgettable-oh-oh-oooh  
Unforgettable-oh-oh-oooh  
Ya know you love me, your love is like  
Incredible because you take me to a higher height  
Hold ya up, stay on yo case, often squeeze you tight  
Ya know I need ya by my side each and every night  
She tell me things she can't live without her baby  
And she says she wanna cuddle underneath me  
I thank the Father for the gift that He gave me  
Sweet need, you are the touch that drives me crazy  
She's unforgettable! Unforgettable, unforgettable, oh!  
Unforgettable, unforgettable, oh!  
Unforgettable, unforgettable, oh!  
Unforgettable-oh-oh-oooh
