

# When You Got a Good Friend

[Eric Clapton](#)

(Robert Johnson)

When you got a good friend, that will stay right by your side [2x]  
Give her all of your spare time, try to love and treat her right  
I mistreated my baby, but I can't  
see no reason why [2x]  
Anytime I think about it, I just wring my hands and cry  
Wonder, could I bear apologize, or  
would she sympathize with me  
Mmm, or would she sympathize with me  
She's a brownskin woman, just as sweet as a girlfriend can be  
Mmm, baby I may be right or  
wrong  
Baby, it your opinion, I may be right or wrong  
Watch your close friend, baby, then you enemies can't do you no harm  
When you got a good friend that will stay right by your side [2x]  
Give her all of your spare time, love and treat her right
