

# Everytime I Close My Eyes

Kenny G

Girl it's been a long, long time comin', yes it has  
But I, I know that it's been worth the wait  
It feels like springtime in winter  
It feels like Christmas in June  
It feels like heaven has opened up it's gates for me and you Every time I close my eyes  
I thank the lord that I've got you  
And you've got me too  
And every time I think of it  
I pinch myself cuz I don't believe it's true  
That someone like you loves me too  
Girl I think that you're truly somethin', yes you are  
And you're, you're every bit of a dream come true, yes you are  
With you baby, it never rains  
And it's no wonder  
The sun always shines when I'm near you  
It's just blessing that I have found somebody like you  
Ooh Oh  
To think of all the nights I've cried myself to sleep  
You really oughta know how much you mean to me  
It's only right, it's only right  
(In my life) that you be in my life right here with me  
Oh baby, baby, yeah I'll tell you girl that...
