

# Saturday Nights

Khalid

Saturday nights  
New berry cigarillos  
Swishers make my throat hurt  
Rolling OCDs on the side for me  
Got 'em up and let 'em both burn  
Family feuds saying Mom's confused  
I'm for sure she doesn't wanna learn  
But Daddy's gone, say he's never home  
And wishing only makes it worse I guess there's certain dreams that you gotta keep  
'Cause they'll only know, what you let 'em see  
All the things that I know  
That your parents don't  
They don't care like I do  
Know well like I do  
And all the things that I know  
That your parents don't  
They don't care like I do  
Nowhere like I do  
Nowhere like I do  
Nowhere like I do Saturday nights  
That gray Silverado  
You drive it 'cause you have to  
Stay up working late at a job you hate  
Fix your makeup in a dirty bathroom  
All my love in the dark clouds  
I know what you gotta do  
You got plans, wrapped in rubber bands  
And that's the only thing you'll never lose  
I guess there's certain dreams that you gotta keep  
'Cause they'll only know what you let 'em see All the things that I know  
That your parents don't  
They don't care like I do  
Nowhere like I do  
And all the things that I know  
That your parents don't  
They don't care like I do  
Nowhere well like I do  
Nowhere like I do  
Nowhere like I do 'Cause I care  
I care about you  
There's nowhere I'd rather be  
Than right here right now

I care, care about you  
There's nowhere I'd rather be All the things that I know  
That your parents don't  
They don't care about you  
Nowhere that I do  
And all the things that I know  
That your parents don't  
Don't care about you  
Nowhere that I  
Nowhere that I do  
Nowhere that I do (do, do, do)  
Nowhere that I do (do, do, do)  
Nowhere that I do (do, do, do)
