

# This Is How We Do It

[AlunaGeorge](#)

This is how we do it...This is how we do it  
On Friday night, and I feel all right.  
The party's here on the West side  
So I reach for my 40 and I turn it up  
Designated driver, take the keys to my truck  
Hit the floor cause I'm faded  
Honeys in the street say, "Money, and you made it!"  
It feels so good in my hood tonight  
The summertime skirts and the guys in Kani  
All the gang bang is forgot about the drive-by  
You gotta get your groove on, before you gonna get paid  
So tip up your cup and throw your hands up  
And let me hear the party say I'm kinda buzzed and it's all because  
(This is how we do it)  
No, London does it like nobody does  
(This is how we do it)  
To all my neighbors who got much flavor(This is how we do it)  
Let's flip the track, bring the old school back(This is how we do it)  
This is how we do it, all hands are in the air  
And we wave 'em from here to there If you're an O.G. mack or a wanna-be player  
You see the hood's been good to me  
Ever since I was a lower-case G  
Now I'm a big G; boys say I've got the money  
Hundred-dollar bills y'all  
If you were from where I'm from then you would know  
That I gotta get mine in a big black truck  
You can get yours in a 64  
Whatever it is, the party's underway  
So tip up your cup and throw your hands up  
And let me hear the party say  
I'm kinda buzzed and it's all because  
(This is how we do it)  
No, London does it like nobody does  
(This is how we do it)  
To all my neighbors who got much flavor  
(This is how we do it)  
Let's flip the track, bring the old school back  
(This is how we do it)  
This is how we do it...
