## New Edition

Whoa whoa... you you yeah.  
Whoa whoa... yeah yeah yeah yeah yeah. Whoa! Seen your picture.  
Called your name.  
Cover story teenage magazine.  
Wish I could phone you.  
Wish you well.  
And tell our secrets like we used to tell. My baby love.  
Do you remember me?  
My baby love.  
I remember.  
Baby love.  
Do you remember me?  
My baby love.  
Ummmmm  
You're a star now.  
Celebrity.  
Have you forgotten how it used to be?  
We'd play doctor  
In the sand.  
Do you remember back in childhood land?  
Wish I could hold you  
In my arms.  
I miss your candy kisses and your charms.  
Nobody loves you  
The way I do.  
I'll never find another girl like you.

I can hear your voice inside,  
inside, can't hide.  
And when I look up
