

# TOO BRAZY (feat. Mozzy)

YG

Two young niggas going too brazy  
Two bad bitches, I be double datin'  
Two mad niggas sayin', fuck you, pay me  
Two houses, I be going too brazy  
Two young niggas in the coupe, racin'  
Two young niggas on the block, pacin'  
Two young niggas, po-po, chasin'  
Two young niggas beefin', Freddy vs JasonTwo cups 'cause I'm gettin' too fucked up  
I'm strapped up, I'm too much for you poo butts  
Do too much, then your ass gettin' touched  
Two babies with butt, tryna fuck on us  
Two pistols everytime I slide  
Too much red, I might start a fire  
Two bankrolls and both of 'em mine  
I love baby too much and she ain't even mine  
Two young niggas on the same mission  
Tryna leave a fuckboy's brains missing  
Try to take my chain, then you gon' get hit  
Can't hit you? I'ma hit your bitch  
By myself, I be too focused  
By myself, I get too loaded  
Dick disappeared in that pussy, hocus pocus  
Dick too bomb and your bitch know it  
Two young niggas going too brazy  
Two bad bitches, I be double datin'  
Two mad niggas sayin', fuck you, pay me  
Two houses, I be going too brazy  
Two young niggas in the coupe, racin'  
Two young niggas on the block, pacin'  
Two young niggas, po-po, chasin'  
Two young niggas beefin', Freddy vs JasonTwo bands for the drac', give me two of those  
Twenty for a peek, 'less you buying two or more  
Stomped down, ease 'em over twenty toes  
Two M's in the bank, fuck the twenty roll  
Judge gave me two years for my nigga Paul  
Two outta town touched, never be at home  
Two 'grams in the wood, we be breathin' dope  
Two niggas bangin' bloods and we keep the 4  
Two tone,.40, pop it, gotta keep it on me  
Facetime the jeweller twice, just to see the Rollic  
Nigga, two bad thotties, giving Duke a naughty  
Then it drowned in my lap, got 'em scuba divin'

Two hunnid somethin' on the dashboard  
 Two forms of ID for the passport  
 Double homicide since they asked for it  
 And that two chains shit'll get you taxed, boy  
 Two young niggas going too brazy  
 Two bad bitches, I be double datin'  
 Two mad niggas sayin', fuck you, pay me  
 Two houses, I be going too brazy  
 Two young niggas in the coupe, racin'  
 Two young niggas on the block, pacin'  
 Two young niggas, po-po, chasin'  
 Two young niggas beefin', Freddy vs Jason  
 Two Maybachs and they back to back (uh)  
 Two.40 Glocks with big dicks, they go rat-ta-tat  
 Shit too brazy, gotta adapt to my habitat  
 I bought it at a store, told, 'We ain't paying none of that  
 Ayy, we been waitin' two days, where the package at?  
 Middle fingers to the law when they paddy whack  
 Two hunnid for some here for my scallywags  
 200 K from another M, nigga, tally that  
 Tally that, 400k in a fanny pack  
 Spent 20 out of that and get your baby daddy whacked (oh ohh)  
 Sneak diss at me, you should see your favourite rapper attacked  
 YG, what'd you do for fun? Hang out where the scandals at  
 Dry snitchin' ain't permitted, we don't side with rats  
 We ain't never fell off, fuck you mean, we bringin' Cali' back  
 Draci in a bali bag, get a nigga body bagged  
 We ain't tryna snatch a chain and run, we need all of that  
 Two young niggas going too brazy  
 Two bad bitches, I be double datin'  
 Two mad niggas sayin', fuck you, pay me  
 Two houses, I be going too brazy  
 Two young niggas in the coupe, racin'  
 Two young niggas on the block, pacin'  
 Two young niggas, po-po, chasin'  
 Two young niggas beefin', Freddy vs Jason  
 Ay-ay-ay-ay-ay-ay  
 Ay-ay-ay-ay  
 Ayy, ayy  
 Ayy, Stay Dangerous, nigga
