## **Dream It Possible**

## Jane Zhang

I will run. I will climb, I will soar I'm undefeated Ooh Jumping out of my skin, pull the chord Yeah I believe it The past, is everything we were Don't make us who we are So I'll dream, until I make it real And all I see is stars It's not until you fall that you fly When your dreams come Alive you're unstoppable Take a shot, chase the Sun, find the beautiful We will glow in the dark Turning dust to gold And we'll dream It possible Possible And we'll dream It possible I will chase, I will reach, I will fly Until I'm breaking, until I'm breaking Out of my cage, like a bird in the night I know I'm changing, I know I'm changing In, into something big, Better than before And if it takes, takes a thousand lives Then it's worth fighting for It's not until you fall that you fly When your dreams come Alive you're unstoppable Take a shot, chase the Sun, find the beautiful We will glow in the dark Turning dust to gold And we'll dream It possible Possible From the bottom to the top We're sparking wild fire's Never quit and never stop

The rest of our lives From the bottom to the top We're sparking wild fire's Never quit and never stop It's not until you fall that you fly When your dreams come Alive you're unstoppable Take a shot, chase the Sun, find the beautiful We will glow in the dark Turning dust to gold And we'll dream It possible Possible And we'll dream It possible
