

Somebody Else

The 1975

So I heard you found somebody else
And at first, I thought it was a lie
I took all my things that make sounds
The rest I can do without I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You're intertwining your soul with somebody else I'm looking through you
While you're looking through your phone
And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else
I don't want your body, I don't want your body
I don't want your body, I don't want your body
I don't want your body, I don't want your body
I don't want your body, I don't want your body And c'mon baby (I know)
This ain't the last time that I see your face
And c'mon baby (I know)
You said you'd find someone to take my place I just don't believe that you have got it in you
Cause we are just gonna keep doing it every time
I start to believe in anything you're saying
I'm reminded that I should be gettin' over it I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You're intertwining your soul with somebody else
I'm looking through you
While you're looking through your phone
And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else Got someone you love?
Get someone you need?
Fuck that, get money
I can't give you my soul
Cause we're never alone
Got someone you love?
Get someone you need?
Fuck that, get money
I can't give you my soul
Cause we're never alone I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You're intertwining your soul with somebody else I'm looking through you
While you're looking through your phone

And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else
