

# American

## Macklemore

How y'all doing there, folks?  
My name is Aberdeen Washington  
And I'm a proud American  
And a terrorist fighter  
That's right Hey get me another beer bitch  
Now when the day Bin Laden comes to town  
I'm a drop a deuce wipe it up with his towel  
Mow my lawn, sit on the couch, I'm a watch some football  
I pray to the lord the Cowboys win  
And beat the hell out of those damn Redskins  
Call up the boys  
Get drunk as shit  
Goddamn right I'm an American  
That's right  
I'm American  
Got a picture of Regan above my fire  
Next to the deer I shot with my rifle  
N.R.A.? Hell yeah, I support 'em  
No pro choice  
No abortion  
Mexicans? send em back over the boarder  
Ride on home to Samoa  
wherever they come from  
Taking our jobseating out hamburgers  
taking our jobs  
They're taking our jobs  
I see 'em in the fields  
I'm taking their heads off  
I hate my job  
And I hate my boss  
But I love my country  
and I pray to God that the cowboys win  
FUCK YEAH ROMO!  
That the Cowboys win  
That's right, that's right, that's right, come on  
Everybody just clap your hands  
If you love our country If you love our land  
That's right  
And if you're not clapping your hands  
You're a terrorist  
And you eat sand... sandwiches  
The day Bin Laden comes to town

I'm a drop a deuce wipe my poop with his towel  
 Mow my lawn, sit on the couch, and I'm a watch some football  
 And I pray to the lord the Cowboys win  
 And beat the hell out of those damn Redskins  
 Call up the boys, get drunk as shit  
 Goddamn right, I'm American  
 I'm Ameri-fuckin'-can John McCain and Sarah Palin  
 I know you lost out there  
 and it was a tough one  
 But you're still two mavericks in my book  
 Don't worry about it  
 Now listen Palin  
 I heard you like beer  
 Me too  
 and I don't have a six pack  
 but I got a beer bong in my pants  
 What do you say we go get shitfaced in a helicopter and kill a moose America The chosen  
 Guns  
 Explosions McDonalds  
 bowling  
 You don't like it  
 we exploit ya Pop a pill  
 Get a boner!  
 Hell Yeah Tony Romo  
 Man that guy's so damn cute I want to sack his boner and ride him brokeback all the way to  
 Wyoming... No homo... syke  
 Hey I said no homo Hey... fuck terrorists  
 I don't mean like f-, I don't want to fuck a terrorist Guys I'm kidding! I like Romo, I don't like  
 Bromo I said fuck terrorists not I want to fuck a terrorist  
 You wouldn't  
 if you caught Bin Laden you wouldn't give him one in the butt?  
 For America?  
 If ya said "no homo" right after ya did it?  
 It doesn't count if it's terrorists  
 Hey little Aberdeen, come in here  
 Yeah  
 Hey come sing the national family anthem, come on  
 USA, USA, USA, USA, USA, USA, USA, Hey, Hey  
 USA, USA, USA, USA, USA, USA, USA, Hey, Hey  
 That's right, I'm an American citizen  
 Aberdeen Washington, this is my country  
 And just because Barack Obama won the presidential election  
 Does not mean that half the country doesn't feel the same way I do  
 And I came to America yeah  
 And I live in America c'mon  
 And I live in America  
 I do too, dad  
 Let me get 'em  
 And I live in America

And I live in Ameri...  
Shut up, little Aberdeen shut the fuck up  
My bad  
Let me tell 'em  
That's right  
I'm American
