You've Got a Friend

James Taylor

When you're down and troubled
And you need a helping hand
And nothing, oh, nothing is going right
Just close your eyes and think of me
And soon I will be there

To brighten up even your darkest nightYou just call out my name

And, you know, wherever I am

I'll come running (oh yeah, baby)

To see you againWinter, spring, summer or fall

All you've got to do is call

And I'll be there, (yeah yeah yeah)

You've got a friend

If the sky above you

Should turn dark and full of clouds

And that old north wind should begin to blowKeep your head together

And call my name out loud now

Soon I'll be knocking upon your doorYou just call out my name

And, you know, wherever I am

I'll come running (Oh, yes I will)

To see you againWinter, spring, summer or fall

All you've got to do is call

And I'll be there, yeah yesAin't it good to know that you've got a friend

When people can be so cold?

They'll hurt you and desert you

Well, they'll take your soul if you let them

Oh, but don't you let them

You just call out my name

And, you know, wherever I am

I'll come running

To see you again

(Oh baby don't you know 'bout)

Winter, spring, summer or fall

(Hey Now) All you've got to do is call

Lord I'll be there, yes I will

You've got a friend

You've got a friend
