## Lovers on the Sun (feat. Sam Martin)

## **David Guetta**

Let's light it up, let's light it up Until our hearts catch fire Then show the world a burning light That never shined so brightWe'll find a way, we'll find a way To keep the cold night From breaking in over the walls Onto the wild side The hunger satisfied We're burning up We might as well be lovers on the sun We might as well be lovers on the sun We might as well be lovers on the sunWe'll never know, we'll never know What stands behind the door But I got a feeling And it's a feeling that it's worth dying forJust close your eyes and hold your breath Because it feels right We'll keep it moving until we make it to the other side And let's enjoy the rideWe're burning up We might as well be lovers on the sun We might as well be lovers on the sun We might as well be lovers on the sun Let's light it up, let's light it up Until our hearts catch fire Then show the world a burning light That never shined so bright
