

# I Love You

## Vanilla Ice

Girl, I keep thinking,  
Of how I feel.  
When I'm in your arms,  
Gives me a chill.  
Just knowin' that you want me  
By your side  
Mellows my mind,  
and enhances my pride. Girl I need you more,  
and more each day.  
Believe me when I tell you,  
I'm here to stay.  
I'm captured by your love,  
and your pretty smile,  
your devastating beauty,  
and your sweet profile.  
I love you  
'Cause I love you  
I love you  
'Cause I Love you You're so fine,  
Lets wine and dine.  
I'm so happy,  
That you are mine.  
Thinking of you,  
I melt with desire.  
Take you in my arms,  
Let love take us higher.  
To hear you talk,  
sounds so sweet.  
When you're close to me,  
I feel your heat.  
Girl I want you,  
And you want me,  
And it'll last  
Until eternity. Your like the snow,  
Falling from the sky,  
So clean,  
Like the look in your eye.  
Your my queen,  
I'll buy you everything.  
Yes, girl,  
Even diamond rings. 'Cause your my lady,  
And this love is true.

Every sunset,  
Makes me think of you.  
And I'll never forget,  
What you mean to me,  
Comin' straight from the heart  
of Vanilla I-C-E. I love you  
'Cause I love you  
I love you  
'Cause I Love you\*phone rings\*Hello?Girl, when I first saw you,  
It was love at first sight.  
We've been going out now  
For about two years,  
And I still feel the same.  
I know I haven't said it much before,  
Well, see, it's because I get all choked up inside.  
Just doesn't want to come out.  
I don't know...  
Maybe this'll help for all the bad things I've done...  
So, don't matter what goes on,  
No matter what happens,  
Just always remember...  
I love you...
