And like a tyre you roll (roll it, roll it)

You and me we running the globe
(It's a worldwide movement)

Eeii, It's Fuse
I be the worldwide boy that be murking the beat
I put it down every verse that I speak
I'm Off Da Ground like a bird when it flees
Raising the level like a curb in the street
And I tell a bad girl u deserve to be Queen
After she back it up like reversing a jeep
Let's travel the world overseas
coz we new Africans we deserve to be free
Now baby now go, work it for me
And if you don't know you be perfect to me
So hold me close like a purse full of cheese
And I go hold you up like a search from police
Now take it down low till it hurts in the knees
But take it slow you are worthy to me
You're worse than a trigger when it squeeze
Coz it gets mad when u burst in the sceneBad girl, slow wine for me
Bad girl, go all the way
Bad girl, slow wine for me
(Tun up, AY)
