

# Stay

## Miley Cyrus

Well it's good to hear your voice  
I hope you're doing fine  
And if you ever wonder  
I'm lonely here tonight I'm lost here in this moment  
And time keeps slipping by  
And if I could have just one wish  
I'd have you by my side Oh, oh, I miss you  
Oh, oh, I need you  
And I love you more than I did before  
And if today I don't see your face  
Nothing's changed  
No one could take your place  
It gets harder every day  
Say you love me more than you did before  
And I'm sorry it's this way  
But I'm coming home  
I'll be coming home  
And if you ask me I will stay  
I will stay Well I try to live without you  
But tears fall from my eyes  
I'm alone and I feel empty  
God, I'm torn apart inside  
I look up at the stars  
Hoping you're doing the same  
And somehow I feel closer  
And I can hear you say  
Oh, oh, I miss you  
Oh, oh, I need you I love you more than I did before  
And if today I don't see your face  
Nothing's changed  
No one could take your place  
It gets harder every day  
Say you love me more than you did before  
And I'm sorry it's this way  
But I'm coming home, I'll be coming home  
And if you ask me I will stay I will stay  
Always stay  
I never want to lose you  
And if I had to, I would choose you  
So stay  
Please always stay  
You're the one that I hold on to

Cause my heart would stop without you I love you more than I did before  
And then today I don't see your face  
Nothing's changed  
No one could take your place  
It gets harder every day  
Say you love me more than you did before  
And I'm sorry that it's this way  
But I'm coming home, I'll be coming home  
And if you ask me I will stay  
I will stay  
I'll always stay And I love you more than I did before  
And I'm sorry that it's this way  
But I'm coming home, I'll be coming home  
And if you ask, I will stay  
I will stay  
I will stay
