

# Suddenly (BT Radio Edit)

BT

You.  
And your emotion.  
I'm on your side  
I say a prayer  
And you.  
And you're devotion  
You're locked away.  
Alone in there And I love it when you fall.  
And I love it when you fall.  
And I love it when you fall.  
To me  
You.  
And your emotion  
I'm on your side  
I say a prayer  
And you.  
And you're devotion  
You're locked away  
Alone in there 'Cause I don't want you to feel forgotten  
And only you can choose your fate  
Remember that all the pain that crossed here  
And there's no space to place the blame And I love it when you fall.  
To me  
And I love it when you fall.  
To me  
You.  
And your addiction  
Inside your lovely face  
Its left a track  
For you  
It's taken over  
You run away  
The truth comes back 'Cause I don't want you to feel forgotten  
And I don't want you to fall away  
But you know there's something I've forgotten  
And notes I left for all to blame And I love it when you fall.  
To me  
And I love it when you fall.  
To me 'Cause you and me we're gonna be special  
You and me we're gonna be special And I love it when you fall.  
To me  
And I love it when you fall.

To me And I love it when you fall.  
And I love it when you fall.  
And I love it when you fall.  
To me And I love it when you fall.  
To me  
And I love it when you fall.  
To me  
And I love it when you fall.  
And I love it when you fall.  
And I love it when you fall.  
.to me...
