

Livvin

NxWorries

This is me, nia
Let's get it
Yes lawd!
I'm livin'
Soul survivin', three spares, 100K on the mileage
Let's get it
In the city of flawless women, my god, look at all of these bes
Yeah
A long way to get out here, but there's a drought here
And I'm winnin'
Ooooh, yeah, yeah
Let's get it
I don't care, there's no fear
I'm livin'
You nias thought I was Rueben
They say, "how did you do it?"
Nothin' but the ambition
Yeah, yeah, yeah
Let's get it
I'm livin'
It ain't all about the money, you dummy
But if it's out here, why don't you get it?
Get it nia
Livin' nia
I'm livin'
Yes lawd!
I'm livin'
Ooh yeah, oh yeah, yeah, yeah
I'm livin'
