

# Hardest To Love

## The Weeknd

No, yeah  
Oh, yeah  
Oh, yeah  
Yeah, uh You try with me so many times, yeah  
You're cryin' out behind the smiles  
And I can see right through the lies  
Yeah, yeah, yeah, yeah, yeah  
And what we had is dead inside, yeah  
You're actin' like it's still alive, ayy  
And you still wanna make it right, yeah  
I know  
But I've been the hardest to love  
You're tryna let me go, yeah  
And I can see it, I can see it  
I've been the hardest to love  
It's hard to let me go, yeah  
And I can feel it, I can feel it (Oh, yeah) I don't feel it anymore (Yeah)  
The house I bought is not a home (No)  
Together we are so alone  
Yeah, yeah, yeah, yeah, yeah (Oh)  
Don't regret the day we met (We met)  
Don't forget that time we spent (We spent)  
Forget that we're in different beds  
I know  
'Cause I've been the hardest to love  
You're tryna let me go, yeah  
And I can see it, I can see it  
I've been the hardest to love  
It's hard to let me go, yeah  
And I can feel it, I can feel it I can't, can't believe you want me  
After all the heart breaks, after all I've done, oh-oh-oh (Oh, oh, oh)  
No, I can't, can't believe you trust me (Trust me)  
After all the rough days, you still call me up (Me up, oh-oh-oh) 'Cause I've been the hardest to  
love  
You're tryna let me go, (Tryna let me go) yeah  
And I can see it, I can see it (I can see it)  
I've been the hardest to love (Love, baby)  
You're tryna let me go, yeah  
And I can feel it, I can feel it
