

The Best of Both Worlds: The 2009 Movie Mix

Hannah Montana

Oh yeah
Come on You get the limo out front
Hottest styles, every shoe, every color Yeah, when you're famous it can be kinda fun
It's really you but no one ever discovers In some ways you're just like all your friends
But on stage you're a star You get the best of both worlds
Chill it out, take it slow
Then you rock out the show You get the best of both worlds
Mix it all together and you know that it's the best of both worlds The best of both worlds
You go to movie premiers (is that Orlando Bloom?)
Hear your songs on the radio
Livin' two lives is a little weird (yeah)
But school's cool cuz nobody knows Yeah you get to be a small town girl
But big time when you play your guitar You get the best of both worlds
Chill it out take it slow
Then you rock out the show You get the best of both worlds
Mix it all together and you know that it's the best of both
(You know the best) You know the best of both worlds Pictures and autographs
You get your face in all the magazines
The best parts that you get to be who ever you wanna be Yeah the best of both
You get the best of both
Come on best of both
Who would of thought that a girl like me
Would double as a superstar You get the best of both worlds
Chill it out, take it slow
Then you rock out the show You get the best of both worlds
Mix it all together and you know that it's the best, You get the best of both worlds
Without the shades and the hair
You can go anywhere You get the best of both girls
Mix it all together
Oh yeah
It's so much better cuz you know you've got the best of both worlds
