

Heart Upon My Sleeve

Avicii

With my heart upon my sleeve
My head down low, I still feel broken
Down upon my knees
With my head down low and I still feel broken
Where are you? Where are you?
Oh, now that I need you most and
A heart upon my sleeve, broken down, woah I guess I'm just down on my luck a bit, shakin' me
out of it
I guess I'm just down on my luck a bit, shakin' me out of it
With my heart upon my sleeve
My head down low, I still feel broken
Down upon my knees
With my head down low and I still feel broken
Where are you? Where are you?
Oh, now that I need you most and
A heart upon my sleeve, broken down, down, down, down Now, I can't go a single day without
thinking of the words I'd say
And I can't do a single thing without thinking of you, thinking of you Now I'm just left with the
pieces to put back together
(Together, together, together)
(Forever, forever, forever)
With my heart upon my sleeve
My head down low, I still feel broken
Down upon my knees
With my head down low and I still feel broken
Where are you? Where are you?
Oh, now that I need you most and
My heart upon my sleeve, broken down, down, down, down
