

# Someone to Save You

**OneRepublic**

Patience  
Took you for everything  
Looked like a diamond ring  
You wore it so much longer  
Than made sense  
Apathy in disguise  
Crept on you like a spy  
Hurt you in ways  
You can't describe  
Back to the start now  
I won't let you go this way now  
Honesty  
Is what you need  
It sets you free  
Like someone to save you  
Let it go  
But hurry now  
There's undertow And I don't want to lose you now All right  
Sit down and spill your heart  
Let's start from the very start  
'Cause I can see by your eyes  
You're wasted  
Your energy comes and goes  
You're taking your time, you know  
Nothing can change what happened, so...  
Back to the start now  
I won't let you go this way now Honesty  
Is what you need  
It sets you free  
Like someone to save you  
Let it go But hurry now  
There's undertow  
And I don't want to lose you now Now Now  
Oh my  
Look at your bright stars fade so  
How much can you take? Honesty  
Is what you need  
It sets you free Like someone to save you  
Let it go  
But hurry now  
There's undertow  
And I don't want to lose you now Na na
