

# Nobody's Listening

## LINKIN PARK

Coming at you  
Yo, peep the style and the kids checking for it  
The number one question is how could you ignore it  
We drop right back in the cut over basement tracks  
With raps that got you backing this up like  
Rewind that we're just rolling with the rhythm  
Rise from the ashes of stylistic division  
With these non-stop lyrics of life living  
Not to be forgotten but still unforgiven  
But in the meantime there are those who wanna talk this and that  
So I suppose that it gets to a point where feelings gotta get hurt  
And get dirty with the people spreading the dirt  
It goes  
Tried to give you warning  
But everyone ignores me  
Told you everything loud and clear  
But nobody's listening  
Called to you so clearly  
But you don't want to hear me  
Told you everything loud and clear But nobody's listening  
I got a heart full of pain  
Head full of stress  
Head full of anger  
Held in my chest  
And everything left's a waste of time  
I hate my rhymes, but hate everyone else's more  
I'm riding on the back of this pressure  
Guessing that it's better I can't keep myself together  
Because all of this stress gave me something to write on  
The pain gave me something I could set my sights on  
Never forget the blood sweat and tears  
The uphill struggle over years the fear and  
Trash talking and the people it was to And the people that started it just like you  
Tried to give you warning  
But everyone ignores me  
Told you everything loud and clear  
But nobody's listening  
Called to you so clearly  
But you don't want to hear me  
Told you everything loud and clear But nobody's listening  
I got a heart full of pain  
Head full of stress

Head full of anger  
Held in my chest  
Uphill struggle  
Blood sweat and tears  
Nothing to gain Everything to fear  
Heart full of pain  
Head full of stress  
Head full of anger  
Held in my chest  
Uphill struggle  
Blood sweat and tears  
Nothing to gain Everything to fear  
Heart full of pain Heart full of pain  
Tried to give you warning  
But everyone ignores me  
Told you everything loud and clear  
But nobody's listening  
Called to you so clearly  
But you don't want to hear me  
Told you everything loud and clear But nobody's listening  
I got a heart full of pain  
Head full of stress  
Nobody's listening  
Head full of anger  
Held in my chest  
Nobody's listening  
Uphill struggle  
Blood sweat n tears  
Nobody's listening  
Nothing to gain  
Everything to fear  
Nobody's listening
