

# Can't Hold Us Down (feat. Lil' Kim)

Christina Aguilera

H-m-m...

H-m-m...

Say what am I not supposed to have an opinion?  
Should I keep quiet just because I'm a woman? Call me a bitch cause I speak what's on my mind

Guess it's easier for you to swallow if I sat and smiled

(ooh...) When a female fires back

(ooh-ooh-ooh...) Suddenly the target don't know how to act (ooh...) So he does what any little  
boy would do

(ooh...) Makin' up a few false rumors or two

(ooh...) That for sure is not a man to me

(ooh...) It's slanderin' names for popularity

(ooh...) It's sad you only get your fame through controversy  
(it's so sad)

(ooh...) But now it's time for me to come and give you more to say

This is for my girls all around the world

Around the world Who have come across a man that don't respect your worth

Oh-oh ooh

Thinkin' all women should be seen not heard

Oh... oh What do we do girls?

(shout louder)

Lettin' 'em know we're gonna stand our ground

Stand our ground

Lift your hands high and wave 'em proud

Oh... ooh

Take a deep breath and say it loud

W-h-o-a

Never can never will

Can't hold us down

Nobody can hold us down

Nobody can hold us down Nobody can hold us down

Never can never will

So what am I not supposed to say what I'm saying?

Are you offended with the message I'm bringin' Call me whatever 'cause your words don't mean  
a thing

Guess you ain't even a man enough to handle what I sing

(ooh...) If you look back in history

(ooh-ooh-ooh...) It's a common double standard of society (ooh...) The guy gets all the glory the  
more he can score

(ooh...) While the girl can do the same and yet you call her a whore

(ooh...) I don't understand why it's ok

(ooh...) The guy can get away with it the girl gets named

(ooh...) All my ladies come together and make it change

Start a new beginning for us everybody sang  
 This is for my girls all around the world  
 'Round the world (yeah)  
 Who have come across a man that don't respect your worth  
 Respect your worth  
 Thinkin' all women should be seen not heard  
 (can't get rid of us)  
 What do we do girls?  
 (shout louder)  
 Lettin' 'em know we're gonna stand our ground  
 (we're standing our ground)  
 So lift your hands high and wave 'em proud Oh-oh ooh  
 Take a deep breath and say it loud  
 Never can never will  
 Can't hold us down (check)  
 Here's something I just can't understand  
 If the guy have three girls then he's the man  
 He can even give her some head or sex her off  
 But if a girl do the same she's a whore  
 But the tables about to turn I bet my fame on it  
 Cats take my ideas and put they name on it  
 It's aight though you can't hold me down (hold me)  
 I got to keep on moving  
 To my girls to their man who be trying to mack  
 Do it right back to him and let that be that  
 You need to let him know that his game is whack  
 And LiL' Kim and Christina Aguilera got yo back  
 Your just a little boy think you're so cute so coy  
 You must talk so big to make up for smaller things  
 You're just a little boy all you do is annoy  
 You must talk so big to make up for smaller things  
 (This is for my girls) this is for my girls all around the world  
 Oh-oh  
 Who have come across a man that don't respect your worth  
 Respect your worth  
 Thinkin' all women should be seen not heard Oh-oh  
 What do we do girls?  
 (shout louder) Shout louder  
 Lettin' 'em know we're gonna stand our ground  
 Stand our ground  
 So lift your hands high and wave 'em proud  
 Oh... oh ooh  
 Take a deep breath and say it loud  
 Never can never will  
 Can't hold us down Oh-oh ooh  
 This is for my girls around the world  
 All my girls  
 Who have come across a man who don't respect your worth  
 Around the world  
 Thinkin' all women should be seen not heard  
 Y-e-a-h...  
 What do we do girls?  
 (shout louder)  
 Lettin' 'em know we're gonna stand our ground  
 Stand our ground  
 Lift your hands high and wave 'em proud

Oh-oh  
Take a deep breath and say it loud  
Never can never will  
Can't hold us down  
Uh  
Oh-oh oh-oh  
Uh  
Uh  
Uh-uh  
Uh  
Uh  
Uh  
Spread the word  
Can't hold us down  
Yeah  
We here  
We back again  
Yeah
