

All You Had To Do Was Stay

Taylor Swift

People like you always want back the love they gave away
And people like me wanna believe you when you say you've changed
The more I think about it
now

The less I know
All I know is that you drove us off the road
StayHey, all you had to do was stay
Had me in the palm of your hand
Then, why'd you have to go and lock me out when I let you in?
StayHey, now you say you want it back

Now it's just too late
Well, it could've been easy
All you had to do was stay
All you had to do was stay
All you had to do was stay
All you had to do was stay
All you had to do was stayHere you are now

Calling me up
But I don't know what to say
I've been picking up the pieces of the mess you made
People like you always want back the love they pushed asideBut people like me are gone
forever

When you say goodbye
Stay
Hey, all you had to do was stayHad me in the palm of your hand
Then, why'd you have to go and lock me out when I let you in?
Stay

Hey, now you say you want it back
Now it's just too late
Well, it could've been easy
All you had to do was stay
All you had to do was stayAll you had to do was stay
All you had to do was stay
All you had to do was stay
Let me remind you this was what you wantedYou ended it

You were all I wanted
But not like this
Not like this
Not like thisOh
All you had to do was stay
Hey, all you had to do was stay
Had me in the palm of your hand
Then, why'd you have to go and lock me out when I let you in?

StayHey, now you say you want it back
Now it's just too lateWell, could've been easy
All you had to do was stay
Hey, all you had to do was stay
Had me in the palm of your hand
Then, why'd you have to go and lock me out when I let you in?
Stay
Hey, now you say you want it back
Now it's just too late
Well, could've been easy
All you had to do was stay
All you had to do was stay
All you had to do was stay
All you had to do was stay
All you had to do was stay
