

# Needed Me

Rihanna

Mustard on the beat ho! I was good on my own, that's the way it was, that's the way it was  
You was good on the low for a faded fuck, on some faded love  
Shit, what the fuck you complaining for?  
Feeling jaded huh?  
Used to trip off that shit I was kickin' to you  
Had some fun on the run though I give it to you But baby, don't get it twisted  
You was just another nigga on the hit list  
Tryna fix your inner issues with a bad bitch  
Didn't they tell you that I was a savage  
Fuck your white horse and a carriage  
Bet you never could imagine  
Never told you you could have it  
You needed me  
Oooh, you needed me  
To feel a little more, and give a little less  
Know you hate to confess  
But baby ooo, you needed me You been rollin' around, shit I'm rollin up  
Light and roll it up  
Break it down like a pound, shit was never us  
Shit was never us  
That's the real on the real, are you serious?  
How you feel, how you feel?  
Used to trip off that shit I was kickin' to ya  
Had some fun on the run though, I give it to ya  
But baby, don't get it twisted  
You was just another nigga on the hit list  
Tryna fix your inner issues with a bad bitch  
Didn't they tell you that I was a savage  
Fuck your white horse and a carriage  
Bet you never could imagine  
Never told you you could have it You needed me  
Oooh, you needed me  
To feel a little more, and give a little less  
Know you hate to confess  
But baby ooo, you needed me
