

Little Toy Guns

Carrie Underwood

In between the coats in the closet
She held on to that heart-shaped locket
Starin' at a family, flawless
But it ain't a pretty picture tonight Mom and daddy just won't stop it
Fightin' at the drop of a faucet
Cuts through the walls, catastrophic
She's caught in the crossfire Puts her hands over her ears
Starts talkin' through the tears
And she's sayin', and she's prayin'
I wish words were like little toy guns
No sting, no hurting no one
Just a bang, bang rollin' off your tongue
(I wish words were like little toy guns)
Yeah, no smoke, no bullets
No kick from the trigger when you pull it
No pain, no damage done
(I wish words were like little toy guns)
And just a bang, bang rollin' off your tongue
(I wish words were like little toy guns) Wish there was a white flag wavin'
Or that they were both just fakin'
And it was just a game they were playin'
Like shoot-'em-up cowboys Leave the plastic pistols in the front yard
Throw away the scorecard
And just turn off all the noise
I wish words were like little toy guns
No sting, no hurtin' no one
Just a bang, bang rollin' off your tongue
(I wish words were like little toy guns)
Yeah, no smoke, no bullets
No kick from the trigger when you pull it
No pain, no damage done
(I wish words like were little toy guns)
And just a bang, bang rollin' off your tongue
(I wish words were like little toy guns) Toy guns Oh, I wish they didn't cut like a knife
I wish they didn't break you inside
I wish they didn't bang, bang
Make you wanna run... Yeah, like little toy guns
No sting, no hurtin' no one
Just a bang, bang rollin' off your tongue
(I wish words were like little toy guns)
Yeah, no smoke, no bullets
No shot from the trigger when you pull it

No pain, no damage done
(I wish words were like little toy guns)
And just a bang, bang rollin' off your tongue
(I wish words were like little toy guns)
Toy guns Oh, like little toy guns
