Five Minutes to Midnight

Boys Like Girls

Brown eyes and lungs are filled up with smoke

Fast lives are stuck in the undertoe

But you know the places I wanna go'Cause, oh, oh, ohI've got a sickness

You've got the cure

You've got the spunk

I've been lookin' for

And I've got a plan

We walk out the doorNo you wanna just let go

It's time to roll down the windowsSing it, oh, oh, ohYeah all we need

So here we go

Turn it up

It's five minutes to midnight

You're coming home with me tonight

I can't get enough, shakin' me up

Turn it upAlright

At five minutes to midnight

You see our name in city lights

We'll make the clock stop

Make your heart drop

And come aliveWe couldPack up

And leave all our things behind

No fact, or fiction, or storyline

'Cause I need you more than just for tonightYou're, oh, oh

All I care

I can't stop my breathing

I'm weak and you were my medicine

I won't stop 'till I am under your skinNo you wanna just let go It's time to roll down the windowsSing it, oh, oh, ohYeah all we need

So here we goTurn it up

It's five minutes to midnight

You're coming home with me tonight

I can't get enough, shakin' me up

Turn it upAlright

At five minutes to midnight

You see our name in city lights

We'll make the clock stop

Make your heart drop

And come aliveAnd when the clock strikes twelve

Will you find another party

Go and kiss and tell

'Cause you know I never willI think we should strike a match

We'll hold it to the wind to

See how long it lasts We can make the time stand stillTurn it up It's five minutes to midnight You're coming home with me tonight I can't get enough, shakin' me up Turn it upAlright At five minutes to midnight You see our name in city lights We'll make the clock stop Make your heart dropTurn it up It's five minutes to midnight You're coming home with me tonight I can't get enough, shakin' me up Turn it upAlright At five minutes to midnight You see our name in city lights We'll make the clock stop Make your heart drop And come alive
