

# Give 'Em Hell, Kid

## My Chemical Romance

Oh baby here comes the sound! I took a train outta New Orleans  
And they shot me full of ephedrine  
This is how we like to do it in the murder scene  
Can we settle up the score? If you were here  
I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday You're beautiful! Well, I'm a total wreck and almost  
every day  
Like the firing squad or the mess you made  
Well, don't I look pretty walking down the street  
In the best damn dress I own?  
If you were here  
I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're so far away  
So c'mon show me how  
'Cause I mean this more than words could ever say Some might say  
We are made from the sharpest things you'd say  
We are young and we don't care (Oh wah-oh)  
Your dreams and your hopeless hair (Oh wah-oh)  
We never wanted it to be this way  
For all our lives Do you care at all?  
If you were here  
I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're so far away  
So c'mon show me how  
'Cause I mean this more than words could ever say (What'd you call me?)  
(Well, there's no way I'm kissing that guy!) Well come on, come on, come on, come on, come on  
Yeah
