

# REAL

## Le Youth

I would like to get to know you  
You're the kind of, kind of, kind of  
I should make a move on, move on, move on  
And if I don't let you, don't let you win  
I would like to get to know you  
You're the kind of, kind of, kind of  
You're the kind of, kind of, kind of  
And if I don't let you, don't let you win  
I would like to get to know you If I could feel something,  
Girl you could be down for  
If I could feel something,  
Girl you got be blind  
If I could feel something,  
Girl you could be down for  
If I could feel something,  
Girl you got be blind Be for real! I would like to get to know you  
You're the kind of, kind of, kind of  
I should make a move on, move on, move on  
And if I don't let you, don't let you win  
I would like to get to know you  
You're the kind of, kind of, kind of  
You're the kind of, kind of, kind of  
And if I don't let you, don't let you win  
I would like to get to know you I am lost in the vision  
Every time our bodies meet,  
To our hearts without emotion, synchronized  
I am lost in the vision  
Every time our bodies meet,  
To our hearts without emotion, synchronized If I could feel something,  
Girl you could be down for  
If I could feel something,  
Girl you got be blind If I could feel something,  
Girl you could be down for  
If I could feel something,  
Girl you got be blind Be for real!
