

# So Lonely (feat. Mariah Carey)

## Twista

It's ya boy Twista  
That girl Mariah  
This that fire You know I like the way you kick it girl  
You know I like it when ya in my world  
Come here li'l momma let me freak yo body  
Then roll wit me in the Bentley white pearl Girl you know you get me so erotic  
Especially when I be sippin' hypnotique  
Got me feelin' like I'm smokin' on chronic  
When we fuckin' it be so exotic Now I know that I be turnin' on fiyay wit Mariah  
And she know she be dealin' wit a balla  
Can't go fast 'cause I'm heavy through the wire  
Fulfillin' desires like a Chi shot calla  
Do you love how the twist throw it at you  
Do you love when I hit it from the back too  
Let me feel how you work it that one way  
Come on baby girl let me see what that do I wish that we could blow out the speakers  
Over and over then jokes to secrets  
Forever your lady, you act right then maybe Ain't nothing to talk about put the music loud  
So they won't hear me say, âE½Aha hah hah hah hahâE  
Come and be my one and only, tired of being so lonely  
Come hold me, aha hah hah hah hah I wanna wrap myself around you or whenever you want to  
Come make me say, âE½Aha hah hah hah hahâE  
Come be my one and only, I'm tired of being so lonely  
Console me, aha hah hah hah hah  
I wanna wrap myself around you or whenever you want to  
Come make me say  
Now we pullin' up out the garage in the platinum blue I-nage  
Me and you about to hit that club to the bar so we can sip that bub  
Both of us together we would be the livest  
If I had to break it down how would I describe it  
Aha hah hah hah hah We the type of couple when we get up on each other  
We get it crackin' in the kitchen or the bedroom  
It don't matter where we at, we be makin' noise  
So play the track, so the base will make ya head boom Break ya off when here one leg up  
And you know I like the way you put it on me  
It's the east coast queen and the mid-west Mob Boss?  
Shorty I will never leave ya lonely I wish that we could blow out the speakers  
Over and over, then jokes to secrets  
Forever your lady, you act right then maybe Ain't nothing to talk about put the music loud  
So they won't hear me say, âE½Aha hah hah hah hahâE  
Come and be my one and only, tired of being so lonely  
Come hold me, aha hah hah hah hah I wanna wrap myself around you or whenever you want to

Come make me say, âE½Aha hah hah hah hahâE  
Come be my one and only, I'm tired of being so lonely  
Console me, aha hah hah hah hah  
I just wanna wrap myself around you or whenever you want to  
Come make me sayLet me give it to you all night long  
Let me give it to you through this song  
Let me give it to you in the hallway  
Let me give it to you on the balcony babyGive it to you on the east coast  
Give it to you on the west coast  
Give it to you down south  
Let me give it to you in the mid-west babyLet me give it to you in the U.K.  
Let me give it to you through the DJ  
Let me give it to you in the rack or the back  
I got you yankin' the sac, that's how a freak playGive it to you however you desire  
And I gotta show you that I ain't a liar  
I'ma console you even when you lonely  
Come and listen to the Twista and MariahSo just show a girl what to do  
After this boy, I promise to do  
You got my body lit up like the moon  
You're too persuasive, I can't take it  
I'm so caught up in youAha hah hah hah hah,  
Could ya be my one and only, I'm tired of being so lonely  
Come hold me, aha hah hah hah hah  
I wanna wrap myself around you, freak whenever you want to  
Come make me say, âE½Ooh, ooh, oohâE
