

# Never Be the Same (feat. Kane Brown)

Camila Cabello

Something must've gone wrong in my brain  
Got your chemicals all in my veins  
Feeling all the highs, feeling all the pain  
Let go of the ways I used to fall in lane  
Now I'm seeing red, not thinking straight  
Blurring all the lines, you intoxicate me Just like nicotine, heroin, morphine  
Suddenly, I'm a fiend and you're all I need  
All I need, yeah, all I need  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit, you will know I'll never be the same  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit, you will know I'll never ever, ever be the same I'll never be the same  
I'll never be the same  
I'll never be the same Sneaking in LA when the lights are low  
Off of one touch I could overdose  
He said: Stop playing it safe, girl, I wanna see you lose control  
Just like nicotine, heroin, morphine  
Suddenly, I'm a fiend and you're all I need  
All I need, ooh, yeah, you're all I need It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit, you will know I'll never be the same  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit, you will know I'll never ever, ever be the same I'll never be the same  
I'll never be the same  
I'll never be the same You're in my blood, you're in my veins, you're in my head  
You're in my blood, you're in my veins, you're in my head  
You're in my blood, you're in my veins, you're in my head  
You're in my blood, you're in my veins, you're in my head It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame

Just one hit, you will know I'll never be the same  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit, you will know I'll never ever, ever be the same Just one hit, you will know I'll never  
ever, ever be the same
