Shelf

Jonas Brothers

She's such a flirt
And I am the lonely heart
Give it a chance

For our love to start but you'll never see
If you don't give me a shot to show you what I gotBut it's too late to pretend
You know me better than I know myself

Don't take my heart and put it on a shelf

Always someone else

The next guy who will make your cold heart melt I'm gonna give my love to someone elseI held your hand (aahhh)

It felt like a movie

I made some plans (aahh)

But you were already moving on now I'm stuck under a rainy cloud but you don't seem to care

But it's alright 'cause It's too late to pretend

You know me better than I know myself

Don't take my heart and put it on a shelf

Yeah

Always someone else the next guy who will make your cold heart melt I'm gonna give my love to someone elseI'm tired of wasting all my time

My heart is hanging on the line Is it me, girl, or someone else?

Please take me off the shelfToo late to pretend

You know me better than I know myself

Don't take my heart and put it on a shelfLa, la, la, la, la

La, la, la, la(Everybody!)

Always someone else the next girl

Who will make your cold heart melt

I'm gonna give my love to someone else

Yeah! Uhhhhh
