

Love You More

Ginuwine

(I just don't know what else to say baby
There's really nothing left to say
There's really nothing more I can say
But I love you
Listen,) Since you came inside my life
You've given me the best in you everyday and night
I found my happiness in you make me wanna ride
To the end of any valley
Then you give me piece of mind
You bring me comfort to my soul give me such a high
No I will never let you go
Make me wanna fly to the top of every rainbow
[Chorus]
I love you more everyday
You show me love in everyway
There's nothing left for me to say
But I love you
I love you more everyday
You show me love in everyway
There's nothing left for me to say
But I love you So promise me you'll never leave
You never say this is the end
You'll spend your life with me
You'll be my wife and my best friend
Raise a family
Something we both can treasure
Oooooohhhh yeah
In the mean time
I'm gon' put in work
You gon' be fine
You never have to work
So won't you come and fly with me
Forever you and me
That's how it's suppose to be
I love you more than me...[Chorus]
I love you more everyday
You show me love in everyway
There's nothing left for me to say
But I love you
I love you more everyday
You show me love in everyway
There's nothing left for me to say

But I love you I won't stop loving you
And I won't stop kissing you
You're the reason why I smile
And I won't stop holding you
And I won't stop loving you
You're the reason why I smile [Chorus] X2
I love you more everyday
You show me love in every way
There's nothing left for me to say
But I love you
I love you more everyday
You show me love in every way
There's nothing left for me to say
But I love you
