

# I Wonder Where You Are Tonight

[Keith Whitley](#)

Tonight I'm sad my heart is weary  
Wondering if I'm wrong or right  
To dream about you though you left me  
I wonder where you are tonight  
The rain is cold and slowly falling  
Upon my window pane tonight  
And though our love was even colder  
I wonder where you are tonight [ guitar ]  
Your heart was cold you never loved me  
Though you often said you cared  
And now you've gone to find another  
Someone who'll know the love I've shared  
The rain is cold and slowly falling...  
I wonder where you are tonight
