## **New Divide (One More Light Live)**

## **LINKIN PARK**

I remembered black skies The lightning all around me I remembered each flash As time began to blur Like a startling sign That fate had finally found me And your voice was all I heard That I get what I deserveSo give me reason To prove me wrong To wash this memory clean Let the thoughts cross The distance in your eyes Give me reason To fill this hole Connect this space between Let it be enough to reach the truth that lies Across this new divide There was nothing inside But memories left abandoned There was nowhere to hide The ashes fell like snow And the ground caved in Between where we were standing And your voice was all I heard That I get what I deserveSo give me reason To prove me wrong To wash this memory clean Let the thoughts cross The distance in your eyes Across this new divide In every loss in every lie In every truth that you denied And each regret and each goodbye Was a mistake too great to hide And your voice was all I heard That I get what I deserveSo give me reason To prove me wrong To wash this memory clean Let the thoughts cross The distance in your eyes Give me reason

To fill this hole

Connect this space between
Let it be enough to reach the truth that lies
Across this new divide
Across this new divide
Across this new divide
