

# Last Time I Say Sorry

Kane Brown & John Legend

I won't say I'm sorry over and over  
Can't just say I'm sorry, I've gotta show you  
I won't do it again, I'll prove my love is true I hope the last time I said sorry  
Is the last time I'll say sorry to you The first time I slept on the couch, was our first New Year's  
Eve

I heard words come out my mouth, that I still can't believe  
Broken hearts and shattered champagne  
We both don't wanna feel that again  
The second I apologized you said, "Boy, I don't know"  
I said it 'cause I meant it, but you still wouldn't let it go  
So I swallow my pride, see it from your side  
I promise I'll do the best I can do  
I won't say I'm sorry over and over  
Can't just say I'm sorry, I've gotta show you  
I won't do it again, I'll prove my love is true  
I hope the last time I said sorry  
Is the last time I'll say sorry to you No, oh, oh-oh (Oh)

No, oh, oh-oh

To you

No, oh, oh-oh

No, oh, oh-oh

The last time I said sorry  
Is the last time I'll say sorry If I could build a perfect world I'd only make you smile  
I'd hang the stars, the sun and moon outside this room but I'll  
I'll never be perfect, though I'm gonna try

Oh, I'm gonna do better I swear that I

I won't say I'm sorry over and over  
Can't just say I'm sorry, I've gotta show you  
I won't do it again, I'll prove my love is true  
I hope the last time I said sorry  
Is the last time I'll say sorry to you No, oh, oh-oh (Oh)

No, oh, oh-oh

To you

No, oh, oh-oh

No, oh, oh-oh

The last time I said sorry  
Is the last time I'll say sorry to you  
No, oh, oh-oh (Oh)

No, oh, oh-oh

To you

No, oh, oh-oh (Oh)

No, oh, oh-oh I hope the last time I said sorry

Is the last time I'll say sorry, to you
