## alt-J

She may contain the urge to run away  
But hold her down with soggy clothes and breezeblocks  
Citrezene your fevers gripped me again  
Never kisses all you ever send are fullstopsLA LA LA LADo you know where the wild things  
go?  
They go along to take your honeyLA LA LA LABreak down, now weep  
Build up breakfast now lets eat  
My love, my love, love, love...LA LA LA LAMuscle to muscle and toe to toe  
The fear had gripped me but here I go  
My heart sinks as I jump up  
Your hand grips my hand as my eyes shut  
Oh, oh, oh, aah

They go along to take our honeyBreak down, now sleep
