

# Two Doors Down (Reconstructed By Duke Dumont)

## Mystery Jets

I think I'm in love,  
With the girl next door  
It's driving me crazy  
I can't take it any more  
I hear her playing the drums late at night  
The neighbours complain but that's the kind of girl I like And maybe I should call her up  
And buy her a round  
Maybe I should move to another town  
But when I hear those drums late at night  
I know I'm in love  
With a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love She and her friends sit at the back of the bus  
But I'm always too shy to work the courage up  
I hear that she likes to dance around the room  
To a worn out 12" of Marquee Moon  
And maybe I should say "What's up?"  
And buy her a round  
Or take her for a spin around the town  
Cos when I hear those drums late at night  
I know I'm in love  
With a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love  
Two Doors Down  
I think I'm in love

I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love  
Two Doors Down  
I think I'm in love  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
And maybe I should call her up  
And buy her a round  
And one day we could move to another town  
Cos when I hear those drums late at night  
I know I'm in love  
In love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love  
Two Doors Down  
I think I'm in love  
I think I'm in love  
I think I'm in love with a girl who lives  
Two Doors Down  
I think I'm in love  
Two Doors Down  
I think I'm in love  
I think I'm in love with a girl who lives  
Two Doors Down I think I'm in love with a girl who lives
