Alive

Empire of the Sun

Days slow by my window
World slows down as it goes
Goodbye to last night
Lost my eyesightCan't you help me see?

They won't get rightLoving every minute 'cause you make me feel so alive, alive Loving every minute 'cause you make me feel so alive, alive

Alive, aliveWaking in the snow

Tracing steps with you

Swimming through the snow

Wrapped in blow we go

Can't you help me see?

They won't get rightLoving every minute 'cause you make me feel so alive, alive Loving every minute 'cause you make me feel so alive, alive

Alive, aliveCan you describe to me

All the world that you see?

Oh, I need it so much

I'm just waitingFreedom is within you

Giving makes us feel good

Hello to more people

Say hello to the futureFreedom is within you

Giving makes us feel good

Hello to more people

Say hello to the future

Loving every minute 'cause you make me feel so alive, alive
Loving every minute 'cause you make me feel so alive, alive
Alive, aliveLoving every minute 'cause you make me feel so alive, alive
Loving every minute 'cause you make me feel so alive, alive
Alive, alive
