

# Your Drums, Your Love

[AlunaGeorge](#)

Your drums, we're drumming your drums  
Your drums, we're drumming your drums You can't say that I'm going nowhere  
'Cause you don't know where I'm coming from  
And you can't say that I'm going nowhere  
When I have been trying to reach you for so long Your drums, we're drumming your  
drums Friends say I've got something wrong  
'Cause I've been trying to reach you for so long  
For so long, I've tried  
To reach you, baby, don't you know that I've been treading water for your love  
Whether I sink or swim, it's you I'm thinking of  
I've been treading water for your love  
As my light grows dim maybe you're not strong enough boy  
Your drums, we're drumming, your drums  
Your drums, we're drumming, your drums I can't say where I'm going, noway  
This feeling goes on and on  
I can't say that I'm going somewhere  
But I've been failing to reach you for so long For so long, I've tried  
To reach you, baby, don't you know that I've been treading water for your love  
Whether I sink or swim, it's you I'm thinking of  
I've been treading water for your love  
As my light grows dim maybe you're not strong enough boy Maybe all along  
I've been holding on  
To the promise that you need some time  
Making everything into a story  
Making sure I never get to feel happy  
Taking everything you do my own way  
Thinking that you're begging me please I've been treading water for your love  
Whether I sink or swim, it's you I'm thinking of  
I've been treading water for your love  
As my light grows dim maybe you're not strong enough boy Your drums, we're drumming your  
drums  
Your drums, we're drumming your drums
