Your Drums, Your Love

AlunaGeorge

Your drums, we're drumming your drums
Your drums, we're drumming your drumsYou can't say that I'm going nowhere
'Cause you don't know where I'm coming from
And you can't say that I'm going nowhere
When I have been trying to reach you for so longYour drums, we're drumming your
drumsFriends say I've got something wrong

'Cause I've been trying to reach you for so long

For so long, I've tried

To reach you, baby, don't you know that I've been treading water for your love Whether I sink or swim, it's you I'm thinking of

I've been treading water for your love

As my light grows dim maybe you're not strong enough boy

Your drums, we're drumming, your drums

Your drums, we're drumming, your drumsI can't say where I'm going, noway
This feeling goes on and on

I can't say that I'm going somewhere

But I've been failing to reach you for so longFor so long, I've tried To reach you, baby, don't you know thatI've been treading water for your love Whether I sink or swim, it's you I'm thinking of

I've been treading water for your love

As my light grows dim maybe you're not strong enough boyMaybe all along
I've been holding on

To the promise that you need some time Making everything into a story Making sure I never get to feel happy Taking everything you do my own way

Thinking that you're begging me pleaseI've been treading water for your love

Whether I sink or swim, it's you I'm thinking of

I've been treading water for your love

As my light grows dim maybe you're not strong enough boyYour drums, we're drumming your drums

Your drums, we're drumming your drums
