## Darius Rucker

Got a baby girl sleeping in my bedroom  
And her mama laughing in my arms  
There's the sound of rain on the rooftop  
And the game's about to start I don't really know how I got here  
But I'm sure glad that I did  
And it's crazy to think that one little thing  
Could've changed all of it Maybe it didn't turn out like I planned  
Maybe that's why I'm such, such a lucky man For every stoplight I didn't make  
Every chance I did or I didn't take  
All the nights I went too far  
All the girls that broke my heart  
All the doors that I had to close  
All the things I knew but I didn't know  
Thank God for all I missed  
'Cause it led me here to this Like the girl that I loved in high school  
Who said she could do better  
Or that college I wanted to go to  
'Til I got that letter All the fights and the tears and the heartache  
I thought I'd never get through  
And the moment I almost gave up  
All lead me here to you I didn't understand it way back when  
But sitting here right now, it all makes perfect sense For every stoplight I didn't make  
Every chance I did or I didn't take  
All the nights I went too far  
All the girls that broke my heart  
All the doors that I had to close  
All the things I knew but I didn't know  
Thank God for all I missed  
'Cause it led me here to this How I cried when my mama passed away  
But now I've got an angel looking out for me today  
So nothing's a mistake For every stoplight I didn't make  
Every chance I did or I didn't take  
All the nights I went too far  
All the girls that broke my heart All the doors that I had to close  
Everything I knew but I didn't know  
Thank God for all I missed  
'Cause it led me here to this  
It led me here to this
