

# I Saw Her Standing There (feat. Little Richard)

[Jerry Lee Lewis](#)

She was just 17, you know what I mean  
And the way she looked was way beyond compare  
So how could I dance with another?  
When I saw her standing there Well, she looked at me and I could plainly see  
That before too long I'd fall in love with her  
She wouldn't dance with another  
Oh, when I saw her standing there Well, my heart went 'Boom'  
When I crossed that room  
And I held her little ol' hand in mine  
Whoa, we danced right through the night  
And we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another  
When I saw her standing there Well, my heart went 'Boom'  
When I crossed that room  
And I held her little ol' hand in mine  
Whoa, we danced right through the night  
And we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another  
When I saw her standing there I saw her standing there  
Since I saw her standing there
