## Pitbull

Let's. (Mr. Worldwide). takeover  
MK, uhh  
Jim Jonsin  
Let's take over the globe  
Hey-hey-yeah  
Hey-hey-yeah  
Hey-hey-yeah  
Hey-hey-yeah  
Let the world know  
Where do we go from here?  
World tell me please  
Where do we go from here  
I want the world to tell me please  
Where do we go?  
(Where do we go, where do we go)  
Where do we go?  
(Where do we go, where do we go)  
Where do we go?  
(Where do we go, where do we go)  
Where do we go?  
Where do we go, where do we go . from here)How you gon' tell me the sky's  
the limit, when it's focused on the moon?  
I don't need a TV show to (Dance With the Stars) not me I'm good  
Half of the world don't like me, half of the world wanna be me  
But believe it or not that pretty lil' thang they call Earth, needs me  
I'm here to show the world what it is to make somethin from nothin yeah fa'sho  
I'm here to show the world what it is to do good business how I blew it I blow  
I'm here to show the world that money don't buy happiness believe me I know  
But just one thang; when I show the world - I just wanna knowWhere do we go from here?  
World tell me please  
Where do we go from here  
I want the world to tell me please  
Where do we go?  
(Where do we go, where do we go)  
Where do we go?  
(Where do we go, where do we go)  
Where do we go?(Where do we go, where do we go)  
Where do we go?  
(Where do we go, where do we go . from here)As the sun rotates and Pit gets bigger  
The mo' countries in the world I hit up  
I'm a mondo bomb, double-oh, three-oh-five  
a/k/a Mr. Worldwide, ha ha ha  
Don't be silly, I've had it on lock and that's fa'sho

I already changed my city, now I'm on my way to change the globe  
I'm tryin to inspire the world  
To show 'em what it is when you hustle and you work hard Show 'em what it is, to put your life  
on the line for the love of the grind  
Life is a rhyme with no reason, and that's the reason I rhyme  
But once I show the globe  
I just wanna know Where do we go from here  
World tell me please  
Where do we go from here  
I want the world to tell me please Where do we go from here?  
World tell me please  
Where do we go from here  
I want the world to tell me please  
Where do we go?  
(Where do we go, where do we go) Where do we go?  
(Where do we go, where do we go)  
Where do we go?  
(Where do we go, where do we go)  
Where do we go?  
(Where do we go, where do we go . from here) You must be blind  
If you can't see the world is mine  
You must be blind  
If you can't see the world is mine  
You must be blind  
If you can't see the world is mine  
You must be blind  
If you can't see the world is mine
