She Will Be Loved

Maroon 5

Beauty queen of only eighteen, she had some trouble with herself He was always there to help her, she always belonged to someone else I drove for miles and miles, and wound up at your door I've had you so many times, but somehow I want moreI don't mind spending every day Out on your corner in the pouring rain Look for the girl with the broken smile Ask her if she wants to stay a whileAnd she will be loved And she will be lovedTap on my window, knock on my door, I want to make you feel beautiful I know I tend to get so insecure, it doesn't matter anymore It's not always rainbows and butterflies, it's compromise that moves us along, yeah My heart is full and my door's always open, you come anytime you want, yeah I don't mind spending every day Out on your corner in the pouring rain Look for the girl with the broken smile Ask her if she wants to stay a whileAnd she will be loved And she will be loved And she will be loved And she will be lovedI know where you hide, alone in your car Know all of the things that make you who you are I know that goodbye means nothing at all Comes back and begs me to catch her every time she falls, yeahTap on my window, knock on my door, I want to make you feel beautifull don't mind spending every day Out on your corner in the pouring rain, oh Look for the girl with the broken smile Ask her if she wants to stay a while And she will be loved And she will be loved And she will be loved And she will be loved(Please don't try so hard to say goodbye) I don't mind spending every day Out on your corner in the pouring rain (Please don't try so hard to say goodbye)
