## In the Morning

## **ZHU**

I only call when I'm alone I only call when I'm alone I only call when I'm alone I only call when I'm aloneTouch me in the morning I'll tell you while you're moaning, baby There's something in this water So drink it 'til you're falling for me Touch me in the morning I'll tell you while you're moaning, baby There's something in this water So drink it 'til you're falling for meI only call when I'm alone I only call when I'm alone I only call when I'm alone I only call when I'm alone Touch me in the morning I'll tell you while you're moaning, baby There's something in this water So drink it 'til you're falling for me Touch me in the morning I'll tell you while you're moaning, baby There's something in this water So drink it 'til you're falling for me Touch me in the
