

Lazy Day (feat. Danny Ocean)

Fuse ODG

This is!
Ayy, it's a bad man movement I did not sleep much last night
Yeah we were dancin' to the early hours and late
And now my bed feels just right
I got my beautiful woman beside of me Say, say
Baby today's a lazy day
Baby today's a lazy day
We makin' love in a crazy way
Baby today's a lazy day
No need to holla at me on my phone
Oh, no holla, oh, no holla at me
'Cause I just wanna stay in bed
With my baby alone
Oh, no holla, oh, no holla at me
Hungover from the night before
We drank all night long
Oh, no holla, oh, no holla at me
Now I just wanna do nothin'
With my lady at home
Oh, no holla, (Oh yeah) oh, no holla at me You ain't wearin' no make-up
My t-shirt and your panties on
You ain't tryna wake up
Scrolling through instagram on your phone
Ain't no feelin' greater
It's your day, you ain't done nothin' wrong
Sometimes you have to do nothin'
To do everything
I did not sleep much last night
Yeah we were dancin' to the early hours and late
And now my bed feels just right
I got my beautiful woman beside of me Say, say
Baby today's a lazy day
Baby today's a lazy day
We makin' love in a crazy way
Baby today's a lazy day My woman and I
We been through some troubles
We always survive
Today we gon' cuddle
And watch the sunrise
'Cause we don't have to do anything
From day to the night
(From day to the night) I wanna see smiles all on your face

Watch your reality shows
Oh baby today is your day
Lovin' hip-hop, are you goin' crazy?
Food all on your plate
Wish we could do this on the daily
'Cause sometimes you have to do nothin'
To do everything Baby, baby
Feels like a lazy day
My girl and I
Makin' love in a crazy way
Baby, baby
Just feels like a lazy day
Oh, today's our day to stay
Today's our lazy day En bandaleta mami, yo en mayorcito
Pasando todo el día en cama
Todo más flojito
Una mano para acá
Otra mano para allá
Hoy no se hace nada, solo puro amorcito (Work hard, rest hard) Baby today's a lazy day
(Work hard, recharge) Baby today's a lazy day
(Work hard, rest hard) We makin' love in a crazy way
(Work hard, recharge) Baby today's a lazy day Work hard, rest hard
Recharge then take-over
Work hard, rest hard (This is)
Recharge then take-over (This a lazy day)
Work hard, rest hard
Recharge then take-over
Work hard, rest hard (It's a badman movement!)
Recharge then take-over (Let's go)
